ELKINS BUYS A RAILWAY,

Wheeling W. Va., Nov. 1.—Senator Elcins, representing a syndicate in which the
louids are interested, has paid \$1.090,090 as
art of the price of the Little Kanawha
liver Railway.

The syndicate has acquired also the West.
Irginia Central, a line tapping the very
eart of the coal and timber lands of tha
tate. The Little Kanawha probably will
e continued from its present Eastern
erminus to the crest of the Alleghenies, to
onnect there with the Davis-Elkins lines,
and the route extended to the seaboard.

The Gould-Elkins company ewas 300,0 acres of coal and timber lands in the
late.

TOLEDO-ST. LOUIS ROUTE.

Toledo, O., Nov. 1.—The recent purchase of the Eel River Railroad by the Lake Shore and Pennsylvania Railroad companies, acting jointly, it transpires, was quite a significant move.

It was announced here to-day that the The route is only sixteen miles longer than he Wabash. Through freight and passenger ervice is to be established. This is in retalitation of the Wabash build-ness new Chicago line in competition with ing a new Chicago line in competition with Lake Shore and a Pittsburg line competition with the Pennsylvania.

RAILROADS FIGURE ON PROFITS. Compile Statistics on Results of Their Exposition Business.

Exposition Business.

New York, Nov. 1.—Now that the PanAmerican Exposition at Buffalo is at an
end, the railroads are figuring up just how
much profit they derived from the exposition travel, says the Times. The exact figures have not yet been complied, but it is
known, in a general way, that the results
were highly entistactory to the roads.

The weather during the first two months
was inclement, and restricted travel during
those months. The assassination of President McKinley was also an unfavorable element.

Mentioned for Presidency.

Norfolk, Va., Nov. I. Regarding the resort that President John Skelton Williams of the Seaboard Air Line is to be made he chairman of the Board of Directors, it searned here that the name of A. L. Moher, president of the Oregon Railroad and Savigation Company, has been considered or election to the presidency. Mr. Mohler's seadquarters are in Portland, Ore. He has noved his family to Norfolk and erected a arge home on the banks of the Chrsapeake day about seven miles from Norfolk. Mentioned for Presidency.

Department Is Abolished.

REPUBLIC SPECIAL
Houston, Tex., Nov. 1.—The Department
of Bridge and Buildings of the Southern
Pacific-Atlantic system was abolished today, the division superintendents being instructed to care for the work in that department, reporting to the engineer of main-tenance-of-way. D. K. Celburn, who has heretofore been chief superintendent of bridges and buildings, is made assistant en-gineer of maintenance-of-way.

Chicago to Pacific Dally.

The Santa Fe has issued a handsome pamphlet announcing daily service of the Santa Fe California Limited to Los Angeles and San Francisco. This train is now running twice a week. Beginning November 2, daily service will be inaugurated from Chicago, through Kansas City to the West. The pamphlet describes the train as one of the finest in the world. The time will be sixty-eight hours from Chicago to Los Angeles, and fifty-five hours from Kansas City.

CALLAHAN A NERVOUS WRECK. Almost Faints When. Young

Cudahy Gives His Testimony.

Omaha, Nov. 1.—James Callahan, on trial for perjury in the Cudahy kidnaping case, gave way this morning to the nervous strain under which he has labored and had to be removed from the courtroom, and the session adjourned. The prisoner has been considerably reduced in flesh, and the strain of the past ten months has brought his nervous system almost to a point of collapse.

Callahan's illness this morning began with a nervous chile. He became much excited when young Cudahy reasserted his recognition of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the prisoner as one of the about the control of the
